BLEED AREA
Anything in this area will be trimmed off, but remember to extend any colouring or images into this 3mm bleed area to avoid white line edging appearing during the print finishing.

SAFE AREA
Keep all your text and information inside the white area. Remember to use high resolution images (300dpi) for the best results.

TRIM AREA
The job will be cut along the solid black line, any images, text or details placed in the 3mm trim area my be cut off incorrectly.
